泡泡的海洋奇旅

Bubble's Ocean Adventure

我叫泡泡，是海水里的小精灵~
My name is Bubble, a little ocean sprite~

我有一个超——厉害的魔法，
I've got a super-duper magic power,

可以复制所有和海水相关的东西！
I can copy anything from the sea!

我在大海里有好多好多朋友——
I've got looooots of friends here——

小丑鱼妹妹和海龟先生最喜欢和我玩捉迷藏啦！
Little Clownfish and Mr. Turtle
love playing hide-and-seek with me!

嘿嘿，每次我在珊瑚丛里打盹儿的时候，
Hey hey, whenever I nap in the coral,
他们就会偷偷来找我~
they always sneak up to surprise me~

大海真是太有趣啦！
The ocean is SO much fun! Whoa!

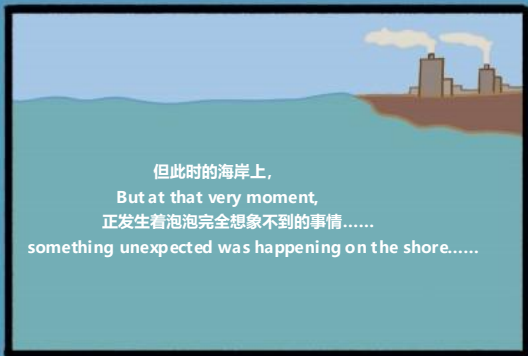

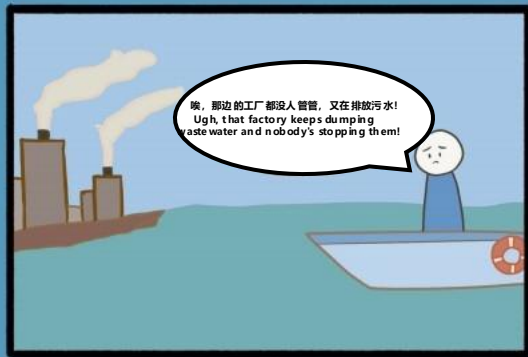

我喜欢探索大海的一切！
I love exploring everything under the waves!
今天的大海也是一如既往的美丽呢！
Today the sea is as beautiful as ever!

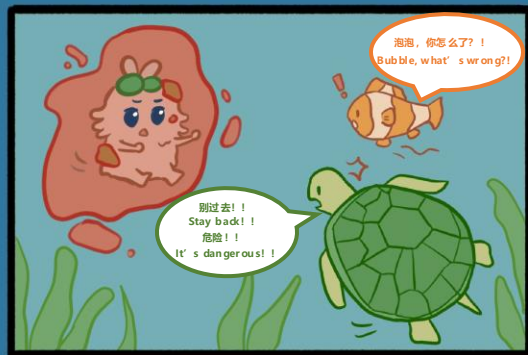

嘿！人类的海边会是什么样子呢？
Ahhh! I wonder what the
human world by the shore is like?
我还没有去过呢！
I've never been there before!

泡泡！
Bubble!
你要去人类世界冒险吗？！
Are you off on an adventure
to the human world?!

玩的开心哦~
Have fun~

长官，雷达显示那边有异常！
Sir, the radar shows trouble over there!

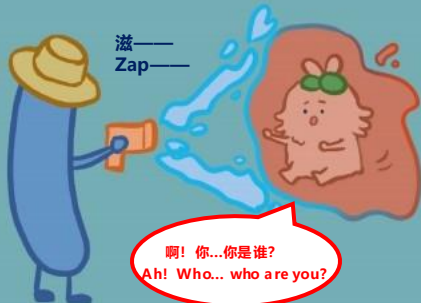

你好哇！
Nice to meet ya!
我是海洋净化小队的成员阿酷~
I'm Aku from the Ocean Cleanup Squad~

哇，我又变回原来的样子了！
Wow, I'm back to normal!

滋——

啊！你...你是谁？
Ah! Who... who are you?

嘿嘿，
Hey hey,
这是我们枯草族的特殊水枪，专治赤潮！
this is our special *Bacillus* Water Gun
——red tide's worst nightmare!

谢谢你呀，阿酷！
Thank you, Aku!

你真是一个大英雄！
You're my hero!

但可惜，我们只有这一把了.....
But uh-oh, it's our last one...
污染已经很严重了，
The pollution's really bad,
不知道来不来得及.....
not sure if we can fix it in time...

我叫泡泡，你的水枪好厉害啊！
My name is Bubble,
that water gun is amazing!

锵锵！
Ta-da!

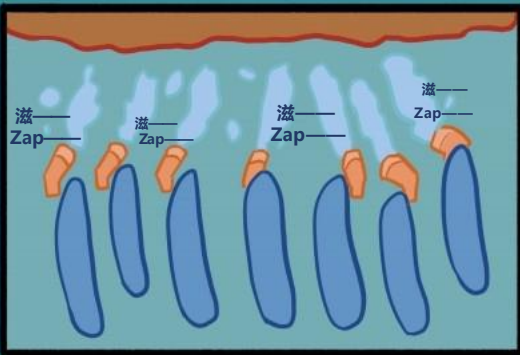

我也能帮忙！看，我复制出的水枪！
I can help too! Check out my copied water gun!

帮我们节省了不少功夫呢！
You just saved our day!

海龟先生~
Mr. Turtle~

大海也恢复如初啦！
The ocean's clean again!

在海洋净化小队忙碌完后，
After the ocean cleanup squad finished their work,
大家一起开了个超——热闹的庆祝会！
everyone threw a super—crazy celebration party!

这本书——叫做 **合成生物学!**
This book is called——**Synthetic Biology!**

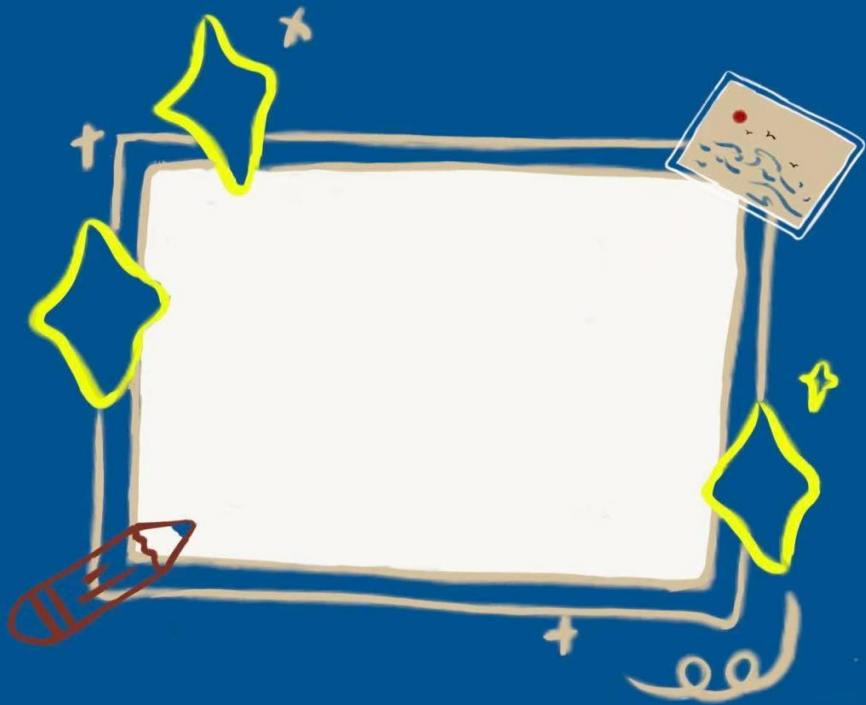

一切都变回了原样吗？
Did everything really go back to normal?

也许吧...
Maybe...

但泡泡已经不再执着于冒险旅行了。
But Bubble decided adventures could wait.

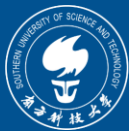

“阿酷，能借我看你的书吗？”
“Aku, can I borrow your book?”
“你说过，书里能找到真正的答案……”
“You said the real answer is in here...”

完

你心中的海洋是什么样子？

In your heart, what does the big blue sea look like?
